

### FXF | FLEXIBLE FESTOON

Bring any space to life with our premium RGBW Festoon Bulbs designed to provide vivid colour and all-weather performance. Each bulb delivers individually controllable dynamic lighting and smooth colour mixing, from warm whites to bold hues.

Engineered with a rugged IP67-rated housing and integrated catenary mounting system, these festoons are made to thrive outdoors, perfect for festivals, hospitality venues, and architectural accents. Easy to install, low-voltage, and long-lasting, they're the smart choice for standout, scalable illumination.

### PART NUMBER CONFIGURATOR

Prefix	LED Colour	Control	Beam Angle	Power	Voltage	Mounting
FXF	RGBW	DMX RDM SPI	140 – 140°	1 – 1W	24 – 24V DC	HM – Hanging Mount AM – Awning Mount
<b>EXAMPLE: FXF – RGBW – DMX – 140 – 1 – 24 – HM</b>						

### SPECIFICATIONS

<b>Electrical</b>	<b>Power Consumption</b> <b>Operating Voltage</b> <b>Operating Temperature</b> <b>Storage Temperature</b>	1W / unit 48V DC -20°C TO 50°C (-4°F TO 122°F) -20°C TO 70°C (-4°F TO 158°F)
<b>Physical</b>	<b>Dimensions</b> <b>Housing</b> <b>Connection</b> <b>IP Rating</b> <b>Maximum Run Length</b>	60mm (Dia) x 116mm (H) PC housing with UV stabilizer 4-in-1 RGBW IP67 60 metres per string
